

## WORKSHEET

### Sharpen your entrepreneurial path

<i>Statement</i>	Aspects I agree or identify with	Aspects I do not agree or identify with
<i>'I am going to retire in a few years but I would like to try out something new.</i>		
<i>I am currently unemployed and I am longing for a meaningful activity</i>		
<i>I would like to try out an entrepreneurial lifestyle but I do not know if it is the right for me</i>		
<i>I am retired but still looking to be active</i>		
<i>I am retired but my pension is too small so I would like to start some activities that generate income.</i>		
<i>I want to build my own business on previous experience that I have gained in a specific field.</i>		

<p><i>I feel uninspired in the current/past job that I am/was doing and have a great urge to meaningfully connect to my work and actually make a difference in society. I am aware of some major social problems and already have some ideas of how to tackle these issues.</i></p>		
<p><i>I feel stressed out in my current job and want to improve my work-life balance by working on a more flexible basis. I have a passion for ( e.g. photo- and videography) and would like to pursue it in a more professional way.</i></p>		
<p><i>I have specialized knowledge that can be useful to teach very specific skills or give advice to companies in key industry sectors.</i></p>		
<p><i>I think I have some important skills that are required for becoming an entrepreneur but I do not want to start a business from scratch.</i></p>		
<p><i>Self-fulfillment is my main goal and earning income is more of a secondary motivation for me.</i></p>
